WHY THE LAUNDRESS: We were tired of our favorites fading so we created our own solution. **The Laundress Darks Detergent** is specially formulated with color guard and stain fighting enzymes to preserve color and keep them as clean and dark as new. Removes the microfibrils (lint) in the washing cycle to keep darks dark. Effective in all water temperatures and systems. Dermatologist recommended.

Cotton • Linen • Cotton Blends • Synthetics • Tops
Bottoms • Socks • Underwear • Sheets • Towels

FOR BEST RESULTS: Always pre-treat soiled areas with **The Laundress Stain Solution** or **Wash & Stain Bar**. Follow with **The Laundress Classic Fabric Conditioner** and **Classic Dryer Sheets**.

	Hand Wash	1/16 cup 15 ml 1 capful	64 washes
