**WHY THE LAUNDRESS:** We know how tricky it can be to care for your delicates and lingerie. **The Laundress Delicate Wash** cleans effectively yet remains gentle on specialty fabrics. Contains enzymes to remove perspiration, body oils and stains. Scented in Lady, a rich amber with crisp citrus complemented by a balance of green herbal notes. Effective in all water temperatures and systems. Dermatologist recommended.

Silk • Silk Blends • Synthetics • Lycra • Spandex • Polyester • Nylon  
Acetate • Rayon • Modal • Hosiery • Bras • Underwear • Lingerie  
Camisoles • Blouses • Shirts • Dresses • Skirts • Pants • Scarves

**FOR BEST RESULTS:** We recommend hand washing and line drying. Always pre-treat soiled areas with **The Laundress Stain Solution** or our **Wash & Stain Bar**. If washing in the machine, protect your delicate items with **The Laundress Mesh Washing Bag**. Do not let silk soak for longer than thirty minutes.
