

THE LAUNDRESS®

NEW YORK

WOOL & CASHMERE SHAMPOO

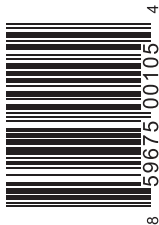

cedar

3X Concentrate

non-toxic • biodegradable • allergen free

16 fl oz / 500 ml

WHY THE LAUNDRESS: We are fanatics about the proper care of our beloved woolsens, cashmere and blends. Yes, you can, and you should, wash your wool and cashmere items for the best care. Washing preserves the natural lanolin and oils and increases the longevity and life of the yarns. **The Laundress Wool & Cashmere Shampoo** eliminates toxic chemicals like Perchloroethylene (PERC) which is used in dry cleaning. Scented in Cedar, a natural moth and bug repellent. Effective in all water systems.

Wool • Merino • Cashmere • Wool Blends • Angora • Mohair
Down • Sweaters • Hats • Scarves • Gloves • Blankets

FOR BEST RESULTS: We recommend hand washing your items. Turn item inside out before washing. Do not mix colors, sort by like colors only. Always pre-treat soiled areas with **The Laundress Stain Solution**. If washing in the machine, protect your woolsens with **The Laundress Mesh Washing Bag**. Lay flat to dry in its natural shape. Do not use the dryer—EVER! If the item has pills, use **The Laundress Sweater Stone** to remove pilling.

	Hand Wash Cold Water	1/16 cup 15 ml 2 capfuls	32 washes 
	High-efficiency Delicate/ Woolens Cycle Cold Water	1/8 cup 30 ml 4 capfuls	16 washes 
	Top-loader Delicate/ Woolens Cycle Cold Water	1/4 cup 60 ml 8 capfuls	8 washes
