

THE LAUNDRESS®

NEW YORK

FABRIC CONDITIONER

classic

16 fl oz / 500 ml

WHY THE LAUNDRESS: We want the fabric closest to your skin to be as soft as possible. We created **The Laundress Classic Fabric Conditioner** to be the perfect softening complement for all The Laundress Detergents. Scented in Classic, a sweet musk with citrus, ylang ylang and sandalwood undertones. Effective in all water temperatures & systems.
Dermatologist recommended.

FOR BEST RESULTS: Use with the Laundress Detergents. We recommend using with every other load when washing cotton and linen. Do not use with silk and wools. All fabric softeners reduce the absorbency of fabrics (towels) so only use as needed. Do not use on children's sleepwear or other items labeled flame resistant.
