

THE LAUNDRESS®

NEW YORK

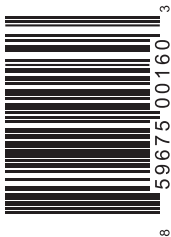

STAIN SOLUTION

unscented

non-toxic • biodegradable • allergen free

16 fl oz / 500 ml

WHY THE LAUNDRESS: We all know how frustrating tough stains can be. However, if treated properly they can be beat. We developed **The Laundress Stain Solution** to remove new and old stubborn stains from red wine to coffee and more! This product is unscented to use with all our laundry products.

FOR BEST RESULTS: Apply to stains sooner rather than later, work into fabric and launder with a **Laundress Detergent**. For tougher stains, apply solution directly on the stain and let soak until the stain is removed. Add **The Laundress All-Purpose Bleach Alternative** to treat overall dinginess and tough stains on cotton. We recommend using hot water. Repeat process if needed. Do not put in dryer unless stain is removed.

All The Laundress products are tested on Gwen & Lindsey.
Animal cruelty free/no animal by-products.
Made with natural ingredients - texture and color may vary.

*“We are committed to being a green and clean company
for you, your family and the environment.”
-Gwen & Lindsey*

INGREDIENTS: Biodegradable, plant-based ionic and non-ionic surfactants and a concentration of active ingredients. VOC, phosphate, phthalate, dye and scent free.

CAUTION: Keep out of reach of children, do not ingest and avoid contact with eyes.
