

THE LAUNDRESS®

NEW YORK

FABRIC
CONDITIONER

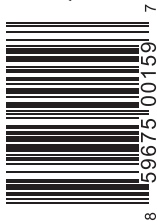

baby

3X Concentrate

non-toxic • biodegradable • allergen free

16 fl oz / 500 ml

WHY THE LAUNDRESS: We want the fabric closest to you and your baby's skin to be as soft as possible. We created **The Laundress Baby Fabric Conditioner** to be the perfect softening complement to **The Laundress Baby Detergent**. Scented in Baby, pure, and soft and warm with vanilla musk, bergamot and lavender undertones. Effective in all water temperatures and systems. Dermatologist recommended.

FOR BEST RESULTS: Use with **The Laundress Detergents**. We recommend using with every other load when washing cotton and linen. Do not use with silk and wools. All fabric softeners reduce the absorbency of fabrics (towels) so only use as needed. Do not use on children's sleepwear or other items labeled flame resistant.

	High-efficiency Regular Cycle	1/8 cup 30 ml 4 capfuls	16 washes 
	Top-loader Regular Cycle	1/4 cup 60 ml 8 capfuls	8 washes 

All The Laundress products are tested on Gwen & Lindsey.
Animal cruelty free/no animal by-products.
